YOUR VOTE COUNTS MORE THAN YOU REALIZE!

On March 10th, Elections for our Deerfield Beach Mayor and Commissioners will be held and our city needs your concerned interest and your vote. **This is our opportunity to establish a new city government, erase the negative publicity and create a commission that will develop a new resolve to enhance and improve our city.**

We have 5 candidates for Mayor and 2 candidates for our District 4 Commissioner. These candidates will be bombarding us with information that they want us to know about them. But there are a lot of **hard questions that need to be addressed** to each of these candidates **in order to learn about their true interests and abilities to lead our community.**

The Observer newspaper will be hosting **two DEERFIELD CANDIDATE FORUMS**, **The Commissioner Forum on Mon, Feb 16th and the Mayoral Forum on Tues, Feb 24th.** These are open to the public and will have a moderator so that we can see how the candidates handle themselves and answer important questions. We can have input into the questions selected. **Your informed vote** will make a **critical difference**, so please do not rely solely on the flyers and advertising you receive in the mail to make your decision. Please take the time and interest to attend these Candidate Forums. **The future of our city depends on you!**

WHY IS YOUR VOTE IMPORTANT TO WATERFORD HOMES?

Most people don't even think about how the elected officials view the voters. **The candidates review how many people voted in the last election** in the poll areas of the District where they are looking for votes. That is how they decide the most desirable areas to cultivate voters who will actually come to the polls. **Once candidates are elected, they check again to see what areas actually had a good turnout of voters. THEY WILL KNOW IF WATERFORD HOME OWNERS REALLY CARE and—in turn, WHETHER THEY SHOULD CARE WHAT WE THINK when we need something from them.**

YOUR WATERFORD HOME OWNERS ASSN BOARD HAS BEEN HERE FOR YOU!

Representatives from your volunteer WHOA Board regularly attend the City Commission meetings and address the city and the Commission when issues come up that effect our Waterford homes neighborhood. We have been very effective. Please visit our web site for our accomplishments.

The previous commission and the Mayor knew us through our constant contact with them. We will definitely have a new District 4 Commissioner and the Mayoral race will be interesting because there are 5 candidates. The City Clerks office tells us that whoever gets the most votes wins. There is no percentage of votes required. WHOA is not sponsoring any candidates. We want our neighborhood to count in this election so that the incoming Mayor and Commissioner will listen to us when we need them.

The issue of how the Sawgrass Expressway will join I-95 along S.W.10th St. keeps rearing its ugly head with the possibility of overpasses and raising 10th Street still on the agenda. The outcome is critical to our neighborhood values!

**WE URGE YOU TO TAKE THE TIME TO BECOME WELL-INFORMED AND TO
VOTE ON MARCH 10th - MAKE YOUR VOTE COUNT!!**
